ANNOUNCEMENT

WE PRESENT herewith our Fourteenth Annual Short Horn Sale catalogue, and we do so knowing it to be the best lot of Short Horns we have ever offered for sale, and we believe they are the best lot ever offered by anyone in this section of the country.

If you will examine the pedigrees of the cattle listed, you will not only find them to be of the choicest Scotch families, but you will find some great sires as Whitehall Sultan, Glen Brook Sultan, Choice Goods, Shenstone Albino and others right at the top of the pedigree; and, of greater importance, you will find that practically all the matured cows are bred to Fair Knight II, one of the truly great bulls of the breed, and the heifers are nearly all sired by him and bred to Village Chieftain, one of the best sons of the great Imported Villager.

Individually the offering will compare with any in the land, as we are including all our show cattle that have been prize winners at all the leading Western Fairs, and with them go the tops of our breeding herd and show calves we have been fitting for the fall fairs. If you wish to strengthen your show herd, if you need a herd bull, or want the best in breeding cattle, attend this great sale, as you can find them all.

We want all breeders of Short Horns, farmers, and lovers of good cattle to attend this sale, as we are proud of this offering and know those who attend this sale will not be disappointed.

Terms and Conditions.

Guarantee: All animals guaranteed breeders if properly cared for, and cows with calves at foot are proven breeders, and no further guarantee is given. If by chance any animal fails to breed, it must be returned to us for further trial and if it does not breed for us, purchase price will be refunded.

Terms: Cash, but time will be given until January 1st, 1916, on bankable notes drawing 8 per cent. interest. Parties wishing time must bring reference and submit them to the clerk before the sale.

All stock loaded free, but at buyer's risk as soon as sold.

Sale will start promptly at 1 o'clock p. m., Wednesday, May 26th, at the Lyon County Fair Grounds, Rock Rapids, Iowa.

The sale will be held under cover, so there will be no postponement on account of the weather.

Notice: Attention is called to the sales of E. J. Thompson and F. E. Jackson, Hurley, S. D., on Tuesday, May 25th. Trains are so that both this sale and ours can be attended.

Bapton Ensign 172542—bred by J. Deane Willis; was the pick of his calves that year. He was put at the head of the herd of Robert Taylor, Pitlivia, Scotland, from whom he was purchased and imported by C. E. Clarke, in whose herd he did excellent service, and was then sold at \$3,500, December, 1903, to Charles E. Ladd North Yamhill, Oregon. Fair Alexandrina 139198—another show two year old, considered by many good judges as the best of the two. Has stood ahead of Fair Beauty at some of the shows.

Mr. Marr's Alexandrina's—have long been highly appreciated on both sides of the ocean. Gay Monarch, a full brother to the granddam of Alexandrina 28th, was at the head of the herd at the Columbian Exposition in 1893 which was placed first over all breeds. Nearly all (if not all) the females were sired by him, thus making a herd of himself and his get. A half sister of Alexandrina 28th sold at the Marr dispersion for \$1750.

Fair Knight 2d 350285—roan, calved January 24, 1910; bred by E. A. Hess, got by Choice Knight 253397, out of Fairplay 5th by Bapton Ensign 172542; Imp. Fairplay 4th by Chief of the Clan 144783.

Fair Mysie 139203—the last of our trio of show 2 year olds, and a top heifer in every way. Bred to Village Chieftain, April 24, 1915.

Imp. Mysie 36th—was a red cow, calved October 12, 1871; bred by Amos Cruickshank, Sittyton, Aberdeenshire, Scotland, and imported in 1873 by J. I. Davidson of Balsam, Ontario, who at one time was the largest importer of Cruickshank cattle in this country, Sanders History says, "From 1881 to 1887 Mr. Davidson had practically a monopoly of the handling of such stock as Mr. Cruickshank could spare for the American trade, and he imported many massive, thick-fleshed, wide-bodied, short-legged specimens of the Aberdeenshire type."

Fair Knight 2d 350285—roan, calved January 24, 1910; bred by E. A. Hess, got by Choice Knight 253397, out of Fairplay 5th by Bapton Ensign 172542; Imp. Fairplay 4th by Chief of the Clan 144763.

General Booth 225022—a red, of February 14, 1904; bred by Walpole Bros., Rock Valley, Iowa, got by Mayflower Boy 204714, out of Nellie Booth by Aberdeen Chief 160894; tracing to Imp His Highness by Brigade Major (21312). The General is a massive bull of 2300 pounds in breeding condition, and has some show yard career, being shown as a calf, yearling, two and three year old and was always 'in the money' winning second at the Sioux City Inter State Fair.

Fair Butterfly 2d 172741—first prize Junior heifer calf at Sioux City last fall, and the best prospect for the Junior yearling class this fall that we know of.

Cruickshank's Butterflies—are well known as among the best of the Scotch families. They have produced many excellent cattle and are highly prized by their owners. Sanders' History says: "Strawberry was bought by Mr. Cruickshank about 1847. From her daughter, Bounty, was produced, Buttercup, called one of the finest cows ever seen at Sittyton. The original Butterfly by Matadore proved long lived and produced many calves, among which was Lord Byron and Royal Fourth, both of which were used in the herd."

Lady Wonder 73557—this cow was shown successfully by Geo. White, Emerson, Iowa, a few years ago and now has a white heifer calf at foot that we have been fitting for the Senior class this fall, calved September 3, 1914, sired by Fair Knight 2d. Rebred to Fair Knight 2d, November 14, 1914.

The Lavenders—were always very highly esteemed at Sittyton and Mr. Cruickshank attributes much of the excellence of the Sittyton herd to the blood of the Lavenders as they are a family distinguished for their neatness of bone, mellow handling, fine fleshing qualities and development of good milkers. One of the grandest cows ever owned at Linwood was of this family.

Choice Gloster 2d 101044—bred to Village Chieftain, October 8, 1914.

The Cruickshank Duchess of Gloster Family—is perhaps one of the best known families among the Cruickshank Short Horns throughout Canada and the United States. Duchess of Gloster 12th in above pedigree was imported in 1871, and she has been the foundation of a great number of Short Horns, that, for milking and feeding qualities, can scarcely be equalled in any country. Perhaps no Scotch family has been more prolific, and it is safe to say that none has done more good to the breed and their owners.

Cruickshank's Butterflies—are well known as among the best of the Scotch families. They have produced many excellent cattle and are highly prized by their owners. Sanders' History says: "Strawberry was bought by Mr. Cruickshank about 1847. From her daughter, Bounty, was produced, Buttercup, called one of the finest cows ever seen at Sittyton. The original Butterfly by Matadore proved long lived and produced many calves, among which was Lord Byron and Royal Fourth, both of which were used in the herd."

Imp. Acorn 2d—was a red cow; bred by Amos Cruickshank and imported by J. I. Davidson in 1874. Her great great grand dam Admah was bought by Mr. Cruickshank early in the '50s, and she had descendants on the farm for many years. All the sires in this pedigree, from Matadore up, were noted animals and have done much to improve the Scotch cattle.

Joy of Morning 153003, was the highest priced Scotch bred bull imported to America up to 1899, and was sold at the Collynie sale to Mr. Marr for service at Uppermill. His dam being Imp.
